NAZWA PUTRI AULIA

email : nazwaputriaulia69@gmail.com

PROFILE

A fourth-semester Informatics Engineering student (Class of 2024) with a strong interest in web development. Experienced in developing academic and healthcare information systems using PHP, Java, and MySQL. Currently improving backend development skills and learning fundamental web security practices. Motivated to grow through practical projects and continuous learning.

PROJECT EXPERIENCE 2025-2026

Inpatient Management System (Java – NetBeans)

- Developed a desktop-based inpatient management system using Java.
- Managed patient records and ward allocation processes.
- Integrated database connectivity within the application.

Web-Based Inpatient Information System (PHP & MySQL)

- Developed a desktop-based inpatient management system using Java.
- Managed patient records and ward allocation processes.
- Integrated database connectivity within the application.

Personal Portfolio Website

- Designed and developed a responsive personal portfolio website.
- Applied modern interface design and basic animation features.
- Optimised layout for multi-device compatibility.

EDUCATION

Malikussaleh University (Bachelor of Informatics Engineering) **Augs 2024 - Present**

IPK : 3,91/4,00

Achievement

ON MIPA – University Level Academic Competition
Participated in university-level academic selection.
Strengthened analytical and problem-solving capabilities.

ORGANIZATION EXPERIENCE

- UKM-Sains Riset and Robotika (SRR) | Malikussaleh University

---

SKILL AND LANGUAGE

- **Technical Skills**: Web Development, Backend Development, Technology Innovation, Photo and Video Editing
- **Languages**: English
- **Certifications**: Participated in a Scientific Writing Competition.
